

After-school Care Registration Form

I would like to register my son/my daughter, from Class,
 for (No. of days) days in the day care programme.

The designated times of care are structured by you and allow an individualization of supervision time allowing your child to attend for example, music lessons or sport training programmes. The official duty of care remains with the school staff until the designated time. From this designated time onwards, parents are once again legally responsible for the care of their child.

Using an X, please indicate the week day/s that your child will attend the after-school supervision and then, in the case where a differed dismissal time from the regular dismissal time is necessary, please enter the time when they can be dismissed.
