Dear Students of 5I,

Preparation for the IB examinations in the Diploma Programme (DP) requires a special design of electives for the ISI students in the following classes.

6. Class and 7. Class (two hours/week) Bilingual Competences

8. Class (two hours/week): Compulsory Elective from a Higher Level IB Subject

Both subjects are compulsory electives (WP) and thus cover the WP quota of six hours of the gymnasium school form. As the subject "Bilingual Competences" is taught for a total of four hours, it can be chosen as an examination subject for the oral Matura.

The compulsory elective in Grade 8 serves as supplementary preparation for one of the IB examination subjects chosen with "Higher Level" (HL). Overall, this fulfils the requirements for the Austrian Matura (6 hours of WP).

For the DP, and in order to be able to fulfil the requirements for the Austrian Matura there is a separate timetable from the 11th Grade onwards as well as for the 12th Grade. For timetabling reasons, it is therefore not possible for the school to guarantee the choice to register for other subjects as compulsory electives. Attendance of a compulsory elective requires an individual agreement at the beginning of each school year.

Should you have any further questions, please feel free to speak with your homeroom teacher or make an appointment to come and see me.

Yours sincerely
